Bryan/Dawn,

Can one of you send me the last statement we had on Florida 404 assumption? I plan to share it with Lee and then call him this morning. Once I speak with him, I'll follow-up with you.

Thanks,
Brandi

Subject: FL 504 desk statement

Brandi We will be sending the letter to go to FL designating them the non federal representative for informal consultation. It should go today. We will need a desk statement and this is definitely something we want to work with OW (and OGC) on.

I've copied Lee, who was on our call last night and can fill in any gaps. This will be first public statement of this concept so OW will want to engage significantly.

Thanks!
Mary
